		Revision:	02
Environmental Policy		Effective Date:	6/1/2021

Considering the purpose and context of the organisation, and the condition of the environment in which the company operates, the management of Go-Ahead Ireland is committed to the continual improvement of the Integrated Management System (IMS), according to compliance obligations, by following the principles and requirements of ISO 14001:2015, ISO 9001:2015 and ISO45001:2018.

The framework for setting environmental objectives is defined in the IMS Manual.

All employees of Go-Ahead Ireland are acting to protect the environment by preventing and eliminating environmental pollution through:

- Continual education in order to prevent environmental pollution, preserve natural resources, and improve the IMS
- Continual raising of environmental awareness
- Continual legal compliance
- Exploration of new materials with smaller environmental footprints and improvement of hazardous and non-hazardous waste management
- Decrease of non-renewable energy consumption and replacement with renewable energy sources
- Activities that emerge from the context of the organization
- Following environmental procedures in order to decrease environmental pollution, and prevent degradation and damage to the environment
- Decrease of adverse impact on water, soil, air, and biodiversity.

Andrew Edwards is responsible for communicating the Environmental Policy to all persons working for or on behalf of the organisation and making it available to the public.
