

Where Your Next Journey Begins

Go-Ahead Ireland, the country's newest private transport provider has started operations from our new Ballymount base. With our head office centrally located mid-way on the M50 and our state of the art workshops and garage we have exciting plans to grow and expand the business over the coming years.

To help achieve this we are now recruiting a

Graduate Engineer

Who supervises the vehicle repair activity, ensuring the fleet is maintained at all times to achieve operational requirements.

Offering fantastic training and career opportunities in our new depot. Along with a permanent contract, competitive pay, onsite gym, pension, free travel and employee wellness programmes.

For more information or to express interest in the above position please send your CV to
